N1. Match the English translations to the Witsuwit'en words in your answer sheets.

N2. Translate to English in your answer sheets: dətay, tl'ol.

*Note 1: The Witsuwit'en language is spoken by about 130 people in British Columbia, Canada.*

*Note 2: The broadleaf plantain (Plantago major) grows throughout British Columbia. Its broad leaves act as shelter for many small reptiles, insects, and amphibians.*

*Note 3: Many species of frog are found in British Columbia, varying in shape, size, and colour.*
