

(I) Up in Flames (1/1) [Solution]

Answers:

I1.

1. aririka
2. bɛfitini
3. boitini
4. ats'itini
5. jaka
6. julamika
7. ɲanɪɔika
8. ɲimɔkɔkaama

Solution: Use the first row that applies. **V** is a vowel.

	singular	plural
humans	-Vma	-a
two-syllable words	-V	-itini / -itɪni
≥ three-syllable words	-V	-ika / -ika

For non-humans: **V** represents the final vowel of the singular form; it is dropped, and the plural suffix takes the latter form if the root contains any of the “retracted” vowels **ɛ**, **ɪ**, **ɔ**, **ɯ**.
